## KENTUCKY LEGISLATURE

### Session Winds Up Tonight—What Was Done and Left Undone

The 1912 session of the Kentucky General Assembly closes tonight.

The Senate killed the House bill providing that license fees derived from horses, &c., shall be paid to county fairs for premiums.

The House bill making it a felony for any one to admit or take to a questionable house a female under 16 years of age passed.

One of the bills that will be left without action is the bill of Senator Lewis Arnett appropriating \$20,000 for the monument to John G. Carlisle in Covington.

The House bill providing that liens on property bought at a tax sale must be enforced in five years passed.

The House-passed the Senate bill regulating the employment of females by limiting the hours of their work to sixty each and not more than ten hours in any one day.

The Senate bill appropriating \$37,000 to pay the deficit at the Schools of Reform at Lexington passed.

Of the most important bills that have passed the Legislature is that providing for compulsory primary elections to be paid for by the State; that creating the Department of State Banking; the measure providing for the extension of the county unit law; that providing pensions for indigent Confederate veterans and widows of men who were the gray; that enabling the Governor to name a Board of Prison Commissioners of three members; that bill relating to good roads in the various counties, with the State-aid feature eliminated; that looking to an amendment of the constitution with a view to revising Kentucky's tax system; that restricting the seven Congressional Districts of Kentucky; that providing suffrage for women in matters pertaining to Public Schools; that creating a State Fire Insurance Board; to regulate water; that creating the office of State Game Warden and another creating the office of State Forester.

## A WORD WITH WOMEN

### VALUABLE ADVICE FOR MAYSVILLE READERS

Many a woman suffers with noble patience the daily misery of backache, pain about the hips, blue, nervous spells, dizziness and urinary disorders, hopeless of relief because she doesn't know what is the matter.

It is not true that every pain in the back or hips is trouble "peculiar to the sex." Often when the kidneys get congested and inflamed, such aches and pains follow.

You can tell it is kidney trouble if the secretions are dark colored, contain sediment; the passages are too frequent or scanty; then help the weakened kidneys. Don't expect them to get well alone.

Doan's Kidney Pills have won the praise of thousands of women. They are endorsed at home—Read this Maysville woman's convincing statement:

"Mrs. Sam Neal, 497 West Second street, Maysville, Ky., says: 'Although I have never used Doan's Kidney Pills myself, I can recommend them. One of my family had a great deal of trouble from his back and kidneys. Doan's Kidney Pills made him entirely better and he always praises them.'"

For sale by all dealers. Price 50 cents. Milburn Co., Buffalo, New York, sole for the United States.

## Why Women Are Not Rich.

Man is a millionaire many times over in the possession of blood cells. Woman is not quite so rich, for scientists have proven that the normal man has five million—the woman only four and a half million to a cubic millimeter of blood.

A decrease in number of red blood corpuscles and a person "looks pale"—in fact, is anemic, the blood does not get the right food and probably the stomach is disordered.

Dr. R. V. Pierce found years ago that a glyceric extract of golden seal and Oregon grape roots, queen's root and bloodroot with black cherry bark, would help the assimilation of the food in the stomach, correct liver ills and in Nature's own way increase the red blood corpuscles. This medicine he called Dr. Pierce's Golden Medical Discovery. By assimilating the food eaten the system is nourished and the blood takes on a rich red color. Nervousness is only "the cry of the starved nerves for food," and when the nerves are fed on rich red blood the person loses those irritable feelings, sleeps well at night and is refreshed in the morning.

"I was attacked with a severe nervous disease, which was caused by a disordered stomach and liver," writes Mrs. JAS. D. LIVERY, of Washburn, Tenn., Route 2, Box 52. "All my friends thought I would die and the best physicians gave me up. I was advised to try Dr. Pierce's Golden Medical Discovery, and derived much benefit from same. My case had run so long, it became so chronic that nothing would effect a permanent cure, but Dr. Pierce's medicine has done much for me and I highly recommend it. I heartily advise its use as a spring tonic, and further advise alling people to take Dr. Pierce's medicine before their diseases have run so long that there is no chance to be cured."

Dr. Pierce's Medical Adviser, 31 stamps, to pay for wrapping and mailing only.

## A Reader Cures His Constipation—Try It Free

Simple way for any family to retain the good health of all its members

The editors of "Health Hints" and "Questions and Answers" have one question that is put to them more often than any other, and which strangely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong

cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with its tonic ingredients strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 98 Milwaukee Ave., Detroit, Mich., and Mr. J. A. Vernon of Oklahoma City. Thousands of others of both sexes have written to Dr. Caldwell telling of gratifying results. It can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.
